

# Born Without a Heart

Faouzia

I'm an angel, tell me what you mean by that  
I take it all and I will never give it back  
I don't feel sorry every time I see you cry  
Every time you start, I'm waiting for your tears to dry  
I don't really care, and I never will  
That's the way I am, such a bitter pill  
I don't really care, how much silence kills  
That's the way I am  
No, I wasn't born without a heart  
I wasn't always like this, no  
Watched you break me, no  
Now you blame me  
No, I wasn't born with all these flaws  
And that's what made me like this, no  
Can you blame me, no?  
I'm a nightmare, I know what you mean by that  
I can't wake up from all these scary dreams I have  
I don't really care, and I never will  
That's the way I am, such a bitter pill  
I don't really care, how much silence kills  
That's the way I am  
No, I wasn't born without a heart  
I wasn't always like this, no  
Watched you break me, no  
Now you blame me  
No, I wasn't born with all these flaws  
And that's what made me like this, no  
Can you blame me, no?  
I wasn't born like this  
Hurt people, hurt people  
I'd rather be heartless  
Than have my heart in pieces  
No, I wasn't born without a heart  
I wasn't always like this, no  
Watched you break me, no  
Now you blame me  
No, I wasn't born with all these flaws  
And that's what made me like this, no  
Can you blame me, no?
