## **Ordinary People**

## John Legend

Girl I'm in love with you This ain't the honeymoon

Past the infatuation phase

Right in the thick of love

At times we get sick of love

It seems like we argue everydayI know i misbehaved

And you made your mistakes

And we both still got room left to grow

And though love sometimes hurts

I still put you first

And we'll make this thing work

But I think we should take it slow

We're just ordinary people

We don't know which way to go

Cuz we're ordinary people

Maybe we should take it slow

This time we'll take it slow

This time we'll take it slowThis ain't a movie no

No fairy tale conclusion ya'll

It gets more confusing everyday

Sometimes it's heaven sent

Then we head back to hell again

We kiss then we make up on the wayI hang up you call

We rise and we fall

And we feel like just walking away

As our love advances

We take second chances

Though it's not a fantasy

I Still want you to stay

We're just ordinary people

We don't know which way to go

Cuz we're ordinary people

Maybe we should take it slow

This time we'll take it slow

This time we'll take it slowTake it slow

Maybe we'll live and learn

Maybe we'll crash and burn

Maybe you'll stay, maybe you'll leave, maybe you'll return

Maybe another fight

Maybe we won't survive

But maybe we'll grow

We never know baby you and IWe're just ordinary people

We don't know which way to go
Cuz we're ordinary people
Maybe we should take it slow (Heyyy)
We're just ordinary people
We don't know which way to go
Cuz we're ordinary people
Maybe we should take it slow
This time we'll take it slow
This time we'll take it slow
