## How Would You Feel (Paean)

## **Ed Sheeran**

You are the one, girl And you know that it's true I'm feeling younger Every time that I'm alone with youWe were sitting in a parked car Stealing kisses in a front yard We got questions we should not ask, butHow would you feel If I told you I loved you It's just something that I want to do I'll be taking my time Spending my life Falling deeper in love with you So tell me that you love me too In the summer As the lilacs bloom Blood flows deeper than a river Every moment that I spend with youWe were sat upon our best friend's roof I had both of my arms around you Watching the sunrise replace the moon, butHow would you feel If I told you I loved you It's just something that I want to do I'll be taking my time Spending my life Falling deeper in love with you So tell me that you love me tooYeah, we were sitting in a parked car Stealing kisses in a front yard We got questions we should not ask How would you feel If I told you I loved you It's just something that I want to do I'll be taking my time Spending my life Falling deeper in love with you Tell me that you love me too Tell me that you love me too Tell me that you love me too Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
