

# You

## Candlebox

You  
It's for you  
Only you  
It's for you I'll never know, I'll never care, I'll never believe my people I'll tell you  
what I say, I'll never lie, I'll never try, I'll never cry for you people, I'll push you  
Push away  
As you lonely people  
Keep on running 'round my door  
Yes, you lonely people  
Keep on begging  
Beg for more And I'll cry for you, Yes I'll die for you  
Pain in my heart it is real  
And I'll tell you now how I feel inside  
Feel in my heart it's for you  
It's for you  
Only you  
It's for you  
I'll never try, I'll never die, I'll never push for you people, I'll tell you  
how I feel  
I'll never lie, I'll never cry, I'll never try for you people I'll tell you,  
yes it's real And you lonely people  
Keep on passing time away Yes you lonely people keep on passing Pass away And I'll cry for  
you, Yes, I'll die for you  
Pain in my heart it is real And I'll tell you now how I feel inside  
Feel in my heart it's for you  
And I'll take everything As it comes my way  
Pushin' your pain 'round my door  
And I'll I cry for you as I die for you  
Is this blood on my hands all for you?  
You shiver And shudder, Recovers your mother, You feel it  
take control  
All alone Feel alive  
In your soul  
Come around town Steal another dime Take another line Won't you feel it Blanket your soul  
Out of mind  
Come around town Steal another dime Do another crime Won't you get it higher & higher  
All through time  
Come around town Steal another dime Don't you push your drugs in my face Yes, I feel it  
Feeling fine  
Don't you push your drugs in my face Or I'm gonna put you in your place Fuck you  
I don't want it no more And it's mine  
Said this pain in my heart is all mine

Yes, it's mine all alone I don't want it no more  
I don't want it no more I don't want it no more  
I don't want it no more  
And it's mine on my own  
Yes, it's mine all alone  
As I cry for you Yes, I'll die for you Pain in my heart, it is real And I'll take Everything as it  
comes my way  
Feel in my heart it's for you  
And I'll lie for you as I die for you  
Pain in my heart it is real  
And I'll tell you now How I feel inside  
Fuck you  
It's for you
