Party

[Demi Lovato](#)

I saw you looking over
Now I see you moving this way
Pushing through the crowd
Like you got something to say, yeahBut you couldn't walk, 'cause, the music's taken over your feet
I could tell by your toes that you're rocking to this beatGotta dance 'til you ache, 'til you drop, 'til you break
Free your soul let me see you shake
One by one we're stealing the stage
Here we come, so get out of our wayIt won't be long 'til the summer is gone
Get your party on
So we'll sing along
Hold on tight, it's a crazy night
Get your party on
So we'll scream it out loud, (yow)
I know your type and all the hype is going straight to your head
And everybody's stopping what their doing
'Cause, your face is turning red, yeahGotta learn how to move to the grove
Give in, or get out (yeah, yeah, yeah)
Put your hands in the air
Stand up in your chair and shoutYou're all dolled up with nowhere to go
You wanna get out and put on a show
There's nothing wrong with staying home
As long as you've got your radioIt won't be long 'til the summer is gone
Get your party on
So we'll sing along
Hold on tight, it's a crazy night
Get your party on
So we'll scream it
Don't wait and don't you be late
Get your party on
So we'll sing along
Hold on tight, it's a crazy night
Get your party on
So we'll scream it out loudCome on
Dallas, Texas (yeah)
Bring it home for me, babyThe little things that you do
From across the room
I see you're sending me clues
There in the way you make me move, moveIt won't be long 'til the summer is gone
Get your party on
So we'll sing along

Hold on tight, it's a crazy night
Get your party on
So we'll scream itDon't wait and don't you be late
Get your party on
So we'll sing along
Hold on tight, it's a crazy night
Get your party on
And scream it out loud(Get your party on)
(Get your, get your party on)
Scream it out loud
(Get your party on)
Get your, get your party onLet's do it again
