# Tonight's the Night (feat. Tammy Lucas) 

## Blackstreet

> You know baby
> Tonight's the night(Tonight's the night)
> I know Ive been promising you everything in the world
> Tonight's the night, Tonight's the night
> But tonight's the night, tonight's the night, tonight's the night Me and you, me and you
> Tonight's the nightYour understanding is what brought us this far
> Never demanding although you gave your heart
> You made it easy baby for me to reveal all the love i have inside
> Just how I really feel
> So many lovers
> And yeah I've had big fun
> But none of the others took my heart
> My playing days are done cause im ready baby I never been this sure
> You are the one I adore im gonna love you more starting tonight
> Let's make tonight the night(we make up)
> Let's make tonight the night(baby let's fall in love again)
> Let's make tonight the night(tonight's gonna be the night)
> Let's make tonight the nightI have decided the moment that we met
> You was invited baby
> I could never let you get away
> I'm so glad you're staying giving me all the love i need
> Making me feel the heat
> Boy, It's been my dream,
> It's been my dream for you to love only me yeah
> Everything I want
> Everything I need
> Can't you see it? Destiny
> Oh, let's make it tonight
> Let's make tonight the night(let's make up)
> Let's make tonight the night(in the beginning)
> Let's make tonight the night(all the deeper love yeah)
> Let's make tonight the night(to every little thing i wanted baby baby)
> Tonight's the night, tonight's the night
> You're everything I want(everything I want)
> Tonight's the night, tonight's the night
> Cant you see it? Destiny
> Oh yeah
> Let's make tonight the night(tonight's the night baby)
> Let's make tonight the night
> Dance with you, yes I do

Let's make tonight the night
Let's make tonight the night
Tonight's the night, tonight's the night, tonight's the night, tonight's the night, tonight's the night.
