Boo'd Up

Ella Mai

Feelings, so deep in my feelings
No, this ain't really like me
Can't control my anxiety
Feeling, like I'm touching the ceiling
When I'm with you I can't breathe
Boy you do something to meOoh, no I'll never get over you until I find something new
That get me high like you do, yeah yeah
Ooh, no I'll never get over you until I find something new
That get me high like you do
Listen my to heart go ba-dum, boo'd up
Biddy-da-dum, boo'd up
Hear my heart go ba-dum, boo'd up
Biddy-da-dum it just won't stop, it go
Ba-dum, boo'd up
Biddy-da-dum, boo'd up
Hear my heart go ba-dum, boo'd up
Biddy-da-dum, it just won't stop, it goHow many ways can I say that I need you baby, it's true
I think I might die without you
Feeling all over my body
You know how I like it
Ain't gotta tell you what to do, yeah yeahOoh, no I'll never get over you until I find something new
That get me high like you do
Ooh, no I'll never get over you until I find something new
That get me high like you do
Listen my to heart go ba-dum, boo'd up
Biddy-da-dum, boo'd up
Hear my heart go ba-dum, boo'd up
Biddy-da-dum it just won't stop, it go
Ba-dum, boo'd up
Biddy-da-dum, boo'd up
Hear my heart go ba-dum, boo'd up
Biddy-da-dum, it just won't stop, it goHead over heels in love
Right in front of you, ain't gotta look no more baby (hah)
I wanna build this love
And everything you want, you ain't gotta ask for
You got me boo'd up, boo'd up
Boo'd up, boo'd up
Told you from the jump I'm the one to choose
Ya got me boo'd up, boo'd up
Boo'd up, boo'd up
Grab me by the waist baby, pull me closerOoh, no I'll never get over you until I find something

new
That get me high like you do
Ooh, no I'll never get over you until I find something new
That get me high like you doListen my to heart go ba-dum, boo'd up
Biddy-da-dum, boo'd up
Hear my heart go ba-dum, boo'd up
Biddy-da-dum it just won't stop, it go
Ba-dum, boo'd up
Biddy-da-dum, boo'd up
Hear my heart go ba-dum, boo'd up
Biddy-da-dum, it just won't stop, it goThis is such a crazy feeling, like
I don't want to get too attached, but
I feel like I already am
My mind's telling me one thing, but
I guess I should listen to my heart
Right?
