

James Brown

Black Stone Cherry

Wo-hoo, wo-hooo!
Wo-hoo, wa-hooo!
Wo-hoo, wo-hooo!
Wo-hooo! Just like James Brown! Wo-hoo, wo-hooo!
Wo-hoo, wa-hooo!
Wo-hoo, wo-hooo!
Wo-hooo, wo-hooo In time to write a rhyme to reach
Get'cha new procedure
Need a soul to preach to
Get me a soul to preach to, ah Don't want, but you know I'm needed
Gets ya on your feet
'Stead of tryin' to beat it
I am not defeated
Ah!
Well let me talk at you, babe Hot damn, you move just like magic
So hip that it's tragic
(Well lookie here, let me break this down)
(I feel good, just like James Brown)
Heart-breaker got me a-ramblin'
Like I've been time travellin'
(A back-beat to the funky sound)
(I'm a ghost, just like James Brown) Wo-hoo, wo-hooo!
Wo-hoo, wa-hooo!
Wo-hoo, wo-hooo!
Wo-hooo, wo-hoo We have time to find a way to say it
Said rewind, replay it
'Til it's sex or rated
Until it's sex for ratings
My, my so we're going under
You're the Eighth Wonder
Baby, I'm the hunter
Well call me their hunter Yeah now, baby!
Well let me talk at you, baby Hot damn, you move just like magic
So hip that it's tragic
(Well lookie here, let me break this down)
(I feel good, just like James Brown)
Heart-breaker got me a-ramblin'
Like I've been time travellin'
(A back-beat to the funky sound)
(I'm a ghost, just like James Brown) I'm about to say something funky, babe! Hot damn, you
move just like magic (Move just like magic)
So hip that it's tragic (It's tragic)

(I feel good, I knew I would, now!)Hot damn, you move just like magic
So hip that it's tragic
(Well lookie here, let me break this down)
(I feel good, just like James Brown)
Heart-breaker got me a-ramblin'
Like I've been time travellin'
(A back-beat to the funky sound)
(I'm a ghost, just like James Brown)(I feel good, baby
Like I knew I would, ooh!)Wo-hoo, wo-hooo!
Wo-hoo, wa-hooo!
Wo-hoo, wo-hooo!
Wo-hooo! Just like James Brown!Wo-hoo, wo-hooo!
