

Salty Dog

Cat Power

Salty dog, salty dog
I don't wanna be your Annie doll
Honey let me be your salty dog
Candyman Two old maids
Sittin' in the sand
One were a she
The other were a man
Salty dog
Candyman Worst day I ever had in my life
My best friend caught him kissin' his wife
Salty dog
Candyman
Salty dog, salty dog
I don't wanna be your Annie doll
Honey let me be your salty dog
Candyman
