Tied Together With a Smile

Taylor Swift

Seems the only one who doesn't see your beauty Is the face in the mirror looking back at you You walk around here thinking you're not pretty But that's not true, 'cause I know youHold on baby, you're losing it The water's high, you're jumping into it And letting go and no one knowsThat you cry but you don't tell anyone That you might not be the golden one And you're tied together with a smile But you're coming undone I guess it's true that love was all you wanted 'Cause you're giving it away like it's extra change Hoping it will end up in his pocket But he leaves you out like a penny in the rainOh, 'cause it's not his price to pay Not his price to payHold on baby, you're losing it The water's high, you're jumping into it And letting go and no one knowsThat you cry but you don't tell anyone That you might not be the golden one And you're tied together with a smile But you're coming undoneHold on baby, you're losing it The water's high, you're jumping into it And letting go and no one knows That you cry but you don't tell anyone That you might not be the golden one And you're tied together with a smile But you're coming undone You're tied together with a smile But you're coming undone Goodbye, baby With a smile, baby, baby Song Discussions is protected by U.S. Patent 9401941.
