Dear Marie

John Mayer

Dear Marie, tell me what it was I used to be Dear Marie, tell me what it was I used to be And if you're further up the road can you show me what I still can't see.Remember me, I'm the boy you used to love when we were fifteen Remember me, I'm the boy you used to love when we were fifteen Now I wonder what you think when you see me on the magazine. From time to time, I go looking for your photograph online From time to time, I go looking for your photograph online

Some county judge in Ohio is all I ever find.

Dear Marie, tell me do you still believe in me

Dear Marie, tell me do you still believe in me

Yeah I've got my dream but you've got family

Yeah I've got my dream but you've got family

Yeah I've got my dream but I guess it got away from me.
