

Worthy (feat. Jhené Aiko)

Jeremih

I know you've been through it
I know you been going through it
I know these other girls can't do it like I do it
I know you ain't used to it
To the better things
Baby you deserve the better things
Let me show it, prove it
What these other hoes ain't doing
Let a real bitch do it, like I can Say how you lay at night
Tired of that nigga
When you know you be by my side
She feels much better
It's a match made and heaven sent, set in fires in hell
Overdue for your lovin' baby, I don't want no one else
Ain't no way I would do you dirty
What you're doing to me
Ain't no way that I'm worried baby
They don't see what I see Ooh you worthy baby, you worthy
Ooh you worthy, you worthy, you worthy
Ooh you worthy, you worthy, you worthy
Ooh you worthy, you worthy, you worthy
Ooh you worthy baby, you worthy I know you are the one
Girl why you with him
Why must we play
Oh, we saw this coming
Say how you lay at night
Tired of that nigga
We know you be by my side
She feels much better It's a match made and heaven sent, set in fires in hell
Overdue for your lovin' baby, I don't want no one else
Ain't no way I would do you dirty
What you're doing to me
Ain't no way that I'm worried baby
They don't see what I see
Ooh you worthy baby, you worthy
Ooh you worthy, you worthy, you worthy
Ooh you worthy, you worthy, you worthy
Ooh you worthy, you worthy, you worthy
Ooh you worthy baby, you worthy
