

# Time Is Love

Josh Turner

I know I gotta put in the hours  
Make the money while the sunlight shines  
But anything I gotta get done  
It can get done some other time  
Time is love  
Gotta run Love to hang out longer but I got someone  
Who waits  
Waits for me and right now she's where I need to be  
Time is love  
Gotta run I only get so many minutes  
Don't wanna spend 'em all on the clock  
In the time that we've spent talkin'  
How many kisses have I lost  
Time is Love  
Gotta run  
Love to hang out longer but I got someone  
Who waits  
Waits for me and right now she's where I need to be  
Time is love  
Gotta run  
Gotta Fly, fly  
Before one more moment gets by Time is love  
Gotta Run  
Love to hang out longer but I got someone  
Who waits  
Waits for me and right now she's where I need to be Time is love  
Gotta run  
Love to hang out longer but I got someone  
Who waits  
Waits for me and right now she's where I need to be  
Time is love  
Gotta run  
Time is love  
Gotta run
