

Swingin' Door

Edens Edge

You got your Texas way of walkin'
You got your sexy way of talkin'
And I let you get all under my skin
But now your welcome has worn off and
So next time you go, don't come back again 'Cause your train don't stop here anymore
I ain't your gas up, rest stop, swingin' door
You can't just walk in, walk out
Like so many times before
I ain't your swingin' door
You've got a girl in every cow town
You think I don't know how you cat around
And I let your sweet talk get my guard down
Took me a while to figure you out
But I've got you figured all out now And your train don't stop here anymore
I ain't your gas up, rest stop, swingin' door
You can't just walk in, walk out
Like so many times before
I ain't your swingin' door You best make up your mind
'Cause if you go, you ain't comin' back this time Your train don't stop here anymore
I ain't your quick stop, walk up, open twenty-four
You can't just drop in, drop out
Treat me like your candy store
No, your train don't stop here anymore
I ain't your gas up, rest stop, swingin' door
You can't just walk in, walk out
Like so many times before
I ain't your swingin' door I ain't your swingin' door
