

# 10% (feat. Kali Uchis)

## KAYTRANADA

You keep on takin' from me  
But where's my ten percent?  
You keep on takin' from me I wonder where you went  
You keep on takin' from me  
But where's my ten percent?  
You keep on takin' from me Why you tryna lie for them?  
Pretending who you are  
But baby, why even pretend?  
You're trying way too hard  
Ego is not your friend  
I only speak the truth  
No, I'm not trying to offend  
Why you tryna lie for them?  
I wake up, it's so good to be me  
In the mirror, it's good to see me  
I don't check for these other bitches  
You can ask God 'cause that's my witness  
You just don't have a clue who to be  
Look in your eyes, I see the envy  
I don't check for these other bitches  
You can ask God 'cause that's my witness Why you tryna lie for them?  
Pretending who you are  
But baby, why even pretend?  
You're trying way too hard  
Ego is not your friend  
I only speak the truth  
No, I'm not trying to offend  
Why you tryna lie for them?  
You keep on takin' from me  
But where's my ten percent?  
You keep on takin' from me  
I wonder where you went  
You keep on takin' from me  
But where's my ten percent?  
You keep on takin' from me I'm a psycho  
All the animal  
Run my money to me  
Don't act like you didn't know  
You've been watered down, baby  
I gotta keep it pure  
Where's my residuals? You keep on takin' from me  
But where's my ten percent?

You keep on takin' from me  
I wonder where you went  
You keep on takin' from me  
But where's my ten percent?  
You keep on takin' from me Why you tryna lie for them?  
Pretending who you are  
But baby, why even pretend?  
You're trying way too hard  
Ego is not your friend  
I only speak the truth  
No, I'm not trying to offend  
Why you tryna lie for them?
