Milkshake

Kelis

My milkshake brings all the boys to the yard
And they're like it's better than yours
Damn right it's better than yours
I can teach you but I'd have to chargeMy milkshake brings all the boys to the yard
And they're like it's better than yours
Damn right it's better than yours
I can teach you but I'd have to chargeI know you want it
The thing that makes me
What the guys go crazy for
They lose their minds
The way I rhyme
I think it's time
Laalalalala warm it up
Lalalalala the boys are waitingLalalalala warm it up
Lalalalala the boys are waitingMy milkshake brings all the boys to the yard
And they're like its better than yours
Damn right its better than yours
I can teach you but I'd have to chargeMy milkshake brings all the boys to the yard
And they're like its better than yours
Damn right its better than yours
I can teach you but I'd have to chargeI have to see you on it
You want me to teach the
Techniques that freaks these boys
It can't be bought
Just don't please get caught
Watch if your smart
Lalalalala warm it up
Lalalalala the boys are waitingLalalalala warm it up
Lalalalala the boys are waitingMy milkshake brings all the boys to the yard
They're like it's better than yours
Damn right it's better than yours
I can teach you but I'd have to chargeMy milkshake brings all the boys to the yard
They're like it's better than yours
Damn right it's better than yours
I can teach you but I'd have to chargeOh once you get involved
Everyone will look this way so
You must maintain your charm
Same time maintain your halo
Just get the perfect blend
What you held within
Then next his eyes are squinted
Then he's picked up your scentLalalalala warm it up

Lalalalala the boys are waitingLalalalala warm it up
Lalalalala the boys are waitingMy milkshake brings all the boys to the yard
They're like it's better then yours
Damn right it's better then yours
I can teach you but I'd have to chargeMy milkshake brings all the boys to the yard
They're like it's better then yours
Damn right it's better then yours
I can teach you but I'd have to charge
