

By Your Side

Tenth Avenue North

Why are you striving these days?
Why are you trying to earn grace?
Why are you crying?
Let me lift up your face
Just don't turn away Why are you looking for love?
Why are you still searching?
As if I'm not enough
To where will you go child
Tell me where will you run
To where will you run 'Cause I'll be by your side wherever you fall
In the dead of night whenever you call
And please don't fight these hands that are holding you
My hands are holding you
Look at these hands at my side
They swallowed the grave on that night
When I drank the world's sin
So I could carry you in
And give you life
I wanna give you life And I'll be by your side wherever you fall
In the dead of night whenever you call
And please don't fight these hands that are holding you
My hands are holdin' you Here at my side wherever you fall
In the dead of night whenever you call
And please don't fight these hands that are holding you
My hands are holdin' you 'Cause I, I love you
I want you to know
That I, I'll love you
I'll never let you go, no, no
And I'll be by your side wherever you fall
In the dead of night whenever you call
And please don't fight these hands that are holding you
My hands are holdin' you
Here at my side wherever you fall
In the dead of night whenever you call
And please don't fight these hands that are holding you
My hands are holding you
Here at my side, my hands are holding you
Ohhh...
