My Typical Angel

The Rocket Summer

thats ok i dont care
i cant remember what happened there
something about you said you loved me
but you cant be anywhere
i dont care i dont mind
you only broke my heart
my life revolved around you
why did you think what did you thinkgaze into the daysi came back you werent there
what happened to those times we shared i dont know
i guess theyre gone somehow i knew that all was wrong
you were fake theres no mistake
in fact its better you're away
but still i think its still so ahrd for me to see
gaze into the days
what you see girl
i have to be okay
see its not too bad
when you thought you had exactly what you dont
and your heart is broke
things just might get better
in fact i bet
in time i wont be sad
dont come back thats a fact did you care?wo wo woootoday im alone
and now i know ill be fine
even without you by my side
but i cant believe you left me there
i love you is what you said
the day before you packed your things and left
gaze into the days
what you see girl
i have to be okay
see its not too bad
when you thought you had exactly what you dont
and your heart is broke
things just might get better
in fact i bet
in time i wont be sad
dont come back thats a fact did you care?i would never say i want you to go
i will never wait so i suggest you stay here
i will never say i want you to go
i will never regret
stay away

away yea yea
why'd you do this to me
why'd you do this to me
away yea yea
