Hunter

Galantis

I am the hunter, I am the great unknown Only my love can conquer I am the, I am the hunter I am the hunter, into the wild we go Give up your heart, surrender 'Cause I am the, I am the hunterWe've been on this road to a place that, one day, we'll know Adventure to the other side Searching high and low for the treasure deep in your soul The fortune teller's always rightGot the red eyes in the night Like a panther, outta sight Gonna sing my battle cry 'Cause I am the, I am the, I am the I am the hunter, I am the great unknown Only my love can conquer I am the, I am the hunter I am the hunter, into the wild we go Give up your heart, surrender 'Cause I am the, I am the hunterI am the I am the, I am the I am the I am the, I am the, I am the, I am theStrangers wild and free Through the flames, you're all that I see A force you, that you can't deny Heed my calling Lock and load, come running to me Dancing through the midnight Got the red eyes in the night Like a panther, outta sight Gonna sing my battle cry 'Cause I am the, I am the, I am theI am the hunter, I am the great unknown Only my love can conquer I am the, I am the hunter I am the hunter, into the wild we go Give up your heart, surrender 'Cause I am the, I am the hunterI am the I am the, I am the I am theI am the, I am the, I am the I am the, I am the, I am the hunt-I am the, I am the, I am the I am the, I am the, I am the hunt-I am-I am, I am-I am, I am-I am Hunter
