

Love in Any Language (feat. Jessy Dixon)

Sandi Patty

Je t'aime
Te amo
Ya ti-bya lyu blyu
Ani o hev ot cha
I love youThe sounds are all as different
As the lands from which they came
And though the words are all unique
Our hearts are still the same
Chorus:
Love in any language
Straight from the heart
Pulls us all together
Never apart
And once we learn to speak it
All the world will hear
Love in any language
Fluently spoken hereWe teach the young our differences
Yet look how we're the same
We love to laugh, to dream our dreams
We know the sting of painFrom Leningrad to Lexington
The farmer loves his land
And daddies all get misty-eyed
To give their daughter's hand
Oh maybe when we realize
How much there is to share
We'll find too much in common
To pretend it isn't thereChorus:
Love in any language
Straight from the heart
Pulls us all together
Never apart
And once we learn to speak it
All the world will hear
Love in any language
Fluently spoken hereTho' the rhetoric of government
May keep us worlds apart
There's no misinterpreting
The language of the heartChorus:
Love in any language
Straight from the heart
Pulls us all together
Never apart

And once we learn to speak it
All the world will hear
Love in any language
Fluently spoken here
