[Verse 1]

A sound of something breaking  
 I awake from sleep  
 A sound full of unfamiliarity  
 Try to cover my ears but can't go to sleep[Pre-Chorus]  
 The pain in my throat gets worse  
 Try to cover it  
 I don't have a voice  
 Today I hear that sound again[Chorus]  
 It's ringing again, that sound  
 A crack again on this frozen lake  
 I dumped myself into the lake  
 I buried my voice for you  
 Over the winter lake I was thrown[Verse 2]  
 A thick ice has formed  
 In the dream I shortly went into  
 My agonizing phantom pain is still the same  
 Have I lost myself[Pre-Chorus]  
 Or have I gained you  
 I suddenly run to the lake  
 There's my face in it  
 Please don't say anything[Chorus]  
 Reach my hand out to cover the mouth  
 But in the end, spring will come someday  
 The ice will melt and flow away  
 Tell me if my voice isn't real[Chorus]  
 If I shouldn't have thrown myself away  
 Tell me if even this pain isn't real  
 What I was supposed to do back then
