Try Sleeping With a Broken Heart

Alicia Keys

Even if you were a million miles away
I could still feel you in my bed
Near me, touch me, feel meAnd even at the bottom of the sea
I could still hear it inside my head
Telling me, touch me, feel me
And all the time you were telling me liesSo tonight, I'm gonna find a way to make it without you
Tonight, I'm gonna find a way to make it without you
I'm gonna hold on to the times that we had
Tonight, I'm gonna find a way to make it without you
Have you ever tried sleeping with a broken heart?
Well, you could try sleeping in my bed
Lonely, only, nobody ever shut it down like youYou wore the crown
You made my body feel heaven bound
Why don't you hold me, need me?
I thought you told me you'd never leave meLooking in the sky I can see your face
Then I know right where I fit in
Take me, make me
You know that I'll always be in love with you right 'til the endSo tonight, I'm gonna find a way to make it without you
Tonight, I'm gonna find a way to make it without you
I'm gonna hold on to the times that we had
Tonight, I'm gonna find a way to make it without you
Anybody could've told you right from the start it's 'bout to fall apart
So rather than hold on to a broken dream, I'll just hold on to love
And I can find a way to make it
Don't hold on too tight
I'll make it without you tonight
So tonight, I'm gonna find a way to make it without you
Tonight, I'm gonna find a way to make it without you
I'm gonna hold on to the times that we had
Tonight, I'm gonna find a way to make it without you baby
Oh nooooooooo
