

The greatest

Lana Del Rey

I miss Long Beach and I miss you, babe
I miss dancin' with you the most of all
I miss the bar where the Beach Boys would go Dennis's last stop before Kokomo Those nights
were on fire
We couldn't get higher
We didn't know that we had it all
But nobody warns you before the fall And I'm wasted
Don't leave, I just need a wake-up call
I'm facin' the greatest
The greatest loss of them all
The culture is lit and I had a ball
I guess I'm signin' off after all
I miss New York and I miss the music
Me and my friends, we miss rock 'n' roll
I want shit to feel just like it used to
And, baby, I was doin' nothin' the most of all The culture is lit and if this is it, I had a ball
I guess that I'm burned out after all I'm wasted
Don't leave, I just need a wake-up call
I'm facin' the greatest
The greatest loss of them all
The culture is lit and I had a ball
I guess that I'm burned out after all
If this is it, I'm signin' off
Miss doin' nothin', the most of all
Hawaii just missed a fireball
L.A. is in flames, it's gettin' hot
Kanye West is blond and gone
"Life on Mars" ain't just a song
Oh, the livestream's almost on
