When It Rains

Paramore

And when it rains On this side of town it touches everything Just say it again and mean it We don't miss a thing You made yourself a bed At the bottom of the blackest hole And convinced yourself that it's not the reason You don't see the sun anymoreAnd oh, oh, how could you do it? Oh I, I never saw it coming Oh, oh, I need an ending So why can't you stay just long enough to explain? And when it rains You always find an escape Just running away From all of the ones who love you From everything You made yourself a bed At the bottom of the blackest hole And you'll sleep 'til May and you'll say That you don't want to see the sun anymore And oh, oh, how could you do it? Oh I, I never saw it coming Oh, oh, I need an ending So why can't you stay just long enough to explain? Take your time Take my timeTake these chances to turn it around Just take these chances, we'll make it somehow And take these chances to turn it around Just turn it around And oh, how could you do it? Oh I, I never saw it comingOh, oh, how could you do it? Oh I, I never saw it coming

Oh, oh, how could you do it?
Oh I, I never saw it coming
Oh, oh I need an ending
So why can't you stay just long enough to explain?
You can take your time
Take my time
