Still rich and ain't gon stop getting rich
Told you niggas I ain't never gonna stop getting money

Let's get it
Bitch you ain't no killa
And real niggas don't talk
Start shit in this club
It's going down in the parking lot

Niggas get killed and then we ain't shedding no tears
Niggas can't keep they mouth closed, judge give you them years

Yo homie fuckin yo bitch
And she ain't duckin yo cock
Them noobies ain't holding you down
And you call them niggas yo dogs
They really out here hatin so stay strapped up like a tight
They got guns, they got them rubies
Except they not shootin blanks
Pass straight them, broad daylight
They don't care who lookin

Young niggas got something to prove, niggas think he pushin
Playin round in my hood and I'll smoke you like a swisha
We don't care bout money and we don't play with them pistolsI make money all day then I ball with the profits

Niggas hate on me, I tell em hatin' niggas stop it
Go fuck with a bitch, get that becky then I'm gone
Catch me on that loud pack, blowin on this strong
Catch me on that loud pack, blowin on this strong
