

Into the Sun (feat. Martina Topley-Bird)

Diplo

They dont pay to see
There are eyes on me
Ill be riding high with the sound and style thats all my own believing
Better the two of us, to give it all,
their reasoning is colored in by a dream they had in yearning, and if they want you they can
raise their arms up into the sun
and you can give them what they want, you dont need a reason.
forget the story about created by the sun,
ooh ooh ooh oooooh, They dont pay to see,
There are eyes on me,
Ill be riding high with the sound and style thats all my own believing
Better the two of us,
to get it all,
this life on love,
harder than they say their reasoning is colored in by a dream they had in yearning.
They say you're gonna try,
say youre gonna fly,
then the lights go down,
its a drowning crowd,
and youre super close to heaven, and if they want you they can raise their arms up into the sun,
but you can't give what you dont haven't for no other reason,
you heard the story on the one who gave up on the sun,
ooh ooh ooh oooooh, Ill be riding high with the sound and style thats all my own believing,
their reasoning is colored in by a dream they had in yearning. Say you're gonna try,
say you're doing fine,
then the lights go down,
it's a drowning crowd,
you're super close to heaven.
and if they want you they can raise their arms up into the sun,
but you can't give what you don't haven't for no other reason,
dont give the story on the one who gave up on the sun
ooh ooh ooh oooooh
