

# Tears Always Win

Alicia Keys

Check it out

It feels kinda crazy  
These covers may keep me warm at night  
But they can't take your place, cause they never gonna hold me tight  
And these pillows, may let me rest my head  
But they can't say good night and tuck me in before I go to bed  
Say, "Naw baby girl, you're better off," that's what I'm telling myself  
But I'm lying to myself cause I know I don't want nobody else  
These lips are missing you  
Cause these lips ain't kissing you  
These eyes put up a fight  
But once again these tears always win  
These arms are wanting you  
Cause these arms ain't holding you  
These eyes put up a fight  
But once again these tears always win  
These candles light up my room at night  
But they can't light the room the way you did when you walked inside, oh baby  
If these walls could sing about everything they've witnessed  
Oh it'd be a sad, sad song, and it'll probably sound something like this  
Say, "Naw baby girl, you're better off," that's what I'm telling myself  
But I'm lying to myself cause I know I don't want nobody else  
Cause these lips are missing you  
Cause these lips ain't kissing you  
These eyes put up a fight  
But once again these tears always win  
These arms are wanting you  
Cause these arms ain't holding you  
These eyes put up a fight  
But once again these tears always win  
Tell me when the hell this loneliness is gonna be over  
When everything in this room reminds me of you  
Everytime I think I'm getting closer  
These tears drown me out, once again I lose  
Cause these lips are missing you  
Cause these lips ain't kissing you  
I put up a fight  
But once again these tears always win  
These arms are wanting you  
Cause these arms ain't holding you  
These eyes put up a fight  
But once again these tears always win  
Crying like oh oh oh oh, oh oh oh  
These eyes put up a fight  
But once again these tears always win  
Crying like oh oh oh oh, oh oh oh  
These eyes put up a fight

But once again these tears always win  
These eyes put up a fight  
But once again these tears always win
