

Big Bang Baby

Stone Temple Pilots

I got a picture of a photograph
Of a wedding and a shell
It's just a burning antient memory
I never kiss and tell So turn it up and burn it
There's a hole in your head
There's a hole in your head
Where the birds can't sing along Does anybody know how the story really goes
Or do we all just hum along
Sell your soul and sign an autograph Big bang baby, it's a crash, crash, crash
I wanna die, but I gotta laugh
Orange crush mama is a laugh, laugh, laugh
Spin me up, spin me, spin me out
Station to station send me up and out
Is that what life and love is all about
I think I think so
We used to see in color Now it's only black and white
Yeah, it's only black and white
Because the world is color blind
Does anybody know how the story really goes How the story really goes
Or do we all just hum along
Sell your soul and sign an autograph Big bang baby, it's a crash, crash, crash
I wanna cry, but I gotta laugh
Orange crush mama is a laugh, laugh, laugh
Nothing's for free, nothing's for free
Take it away boys
Nothing's for free, nothing's for free
Take it away boys
So turn it up and burn it There's a hole in your head
There's a hole in your head
Where the birds can't sing along
Does anybody know how the story really goes How the story really goes
Or do we all just hum along
Sell your soul and sign an autograph
Big bang baby, it's a crash, crash, crash
I wanna cry, but I gotta laugh
Orange crush mama is a laugh, laugh, laugh
Nothing's for free, nothing's for free
Take it away boys
Nothing's for free, nothing's for free
Take it away boys So turn it up and burn it
There's a hole in your head
There's a hole in your head

Where the birds can't sing along
Does anybody know how the story really goes
The story really goes
Or do we all just hum along
