

# The Other Side Of The Door (Taylor's Version)

[Taylor Swift](#)

In the heat of the fight I walked away  
Ignoring words that you were saying trying to make me stay  
I said this time I've had enough  
And you've called a hundred times but I'm not pickin' up  
'Cause I'm so mad, I might tell you that it's over  
But if you look a little closer I said leave but all I really want is you  
To stand outside my window, throwing pebbles, screaming I'm in love with you  
Wait there in the pourin' rain, come back for more!  
And don't you leave 'cause I know all I need is on  
The other side of the door  
Me & my stupid pride sittin' here alone  
Going through the photographs, staring at the phone  
I keep going back over the things we both said  
And I remember the slammin' door & all the things that I misread  
So babe if you know everything tell me why you couldn't see  
That when I left I wanted you to chase after me? I said leave but all I really want is you  
To stand outside my window, throwing pebbles, screaming I'm in love with you  
Wait there in the pourin' rain, come back for more  
And don't you leave 'cause I know all I need is on  
The other side of the door And I scream out the window  
I can't even look at you, I don't need you  
But I do, I do, I do...  
I see there's nothing you can't say  
To make this right again  
I mean it, I mean it, what I mean is  
I said leave but baby all I want is you  
To stand outside my window, throwing pebbles, screaming I'm in love with you  
Wait there in the pourin' rain, come back for more  
And don't you leave 'cause I know all I need is on  
The other side of the door With your face & your beautiful eyes  
And the conversation with the little white lies  
And the faded picture of a beautiful night  
You carry me from your car up the stairs  
And I broke-down cryin' was it worth this mess?  
After everything & that little black dress  
After everything, I must confess I need you
