And since I'm paid, niggas be muggin' me, you know I'm muggin' back
Niggas be muggin' me, you know I'm muggin' back.
Yes sir.Check me out, look
26 inches, bitch I'm sittin' crooked
Old school Chevy, faster than a silver bullet
Strawberry paint, seats vanilla puddin'
2 bitches, gon' & eat each other's pussy.
Top chopped sent the car to the barbershop
My driveway looks somethin' like a parkin' lot
I'm so unothodox
I got your bitch Ridin' my dick with no shocks.
Bounce bitch, bounce, bounce.I'm the hottest shit jumpin' out the coffet pot
Man, I'm just tryin' to get my spot like a polka dot
Lil' kush make my eyes & my shoulders drop
Lil' syrup & I can make a soda pop.Keep talkin' 'n' I can make my soldiers pop
Real niggas with me ridin' till the motor stop
I got these hoes straight livin' out the soap op
I got a couple like a coke top.
