

Pleazer (feat. Boosie Badazz)

Tyga

"Pleazer"

(feat. Boosie Badazz) Nigga, and arch that back
I hit her, the knick-knack, give her that dab
Yeah, nigga, smoke that
I, I know a little bitch by the name Shanelle
Always wearin' Louis, but fake Chanel
I'm just tryin' to nut like Chip and Dale
That's some funny-ass shit like Dave Chappelle
Pussy-ass niggas all in my mail
How you get out early? You ain't make that bail
Snitchin' ain't free, but all you do is tell
I heard you breakin' bad, but the shit won't sell
Yeah, all in your momma car wit' no Ls
Now she can't make work, son, you dumb as hell
Need a ghetto bitch wit' long-ass nails
To scratch a nigga back and cook my meals
I got Gs on the block, bitches on the cock
It ain't a house party 'til somebody get shot
Want fifty in the pot, play the scene, they gon' flock
Have a all-white party, niggas hangin' off the yachts
Bang your pistol, you too smart and little
I came wit' my tongue out, I'm high from the free throw
Pussy is mental, it's too good, I sin for
Run up all in it, I'm a be here for a minute, bitch Nigga, and she bounce that back
My dog tryin' to knick-knack, give a dog a paddywhack
Paddyback that, yeah, bounce it on my lap, lap She's a real dick-pleaser
Nigga, I tell her, "Arch that back"
My dog tryin' to knick-knack, give a dog a paddywhack
Paddyback that, yeah, bounce it on my lap, lap
She's a real dick-pleaser
This ain't rap and rap ain't this
Tell her, "Shut the fuck up and suck my dick"
She a real dick-pleaser, won't you face my dick
She likes dick, dick, dick and nothin' else but dick
She eat it like candy or Swedish Fish
My rim size satellites, that's a deep-ass dish
You niggas' money thinner than a Conehead bitch
No relationships, we ain't developin' shit
Shout-out all my bitcheses, you call them mistresses
I just hit and forget they even existed
Ha, it's all the same though
I changed the lingo, gave her dangle, buried the dang ho

I'm fuckin' faster, I'm gettin' stronger
I hit her, she backwards, lickin' her asshole
My dick is the password
T nasty, 'bout to catch a
felony for it
Vagina juice like orange juice in the mornin'
Nigga, and she bounce that back
My dog tryin' to
knick-knack, give a dog a paddywhack
Paddyback that, yeah, bounce it on my lap, lap
She's a real dick-pleaser
Nigga, I tell her, "Arch that back"
My dog tryin' to knick-knack, give a dog a paddywhack
Paddyback that, yeah, bounce it on my lap, lap
(Boosie Badazz)
This for Section 8 Taniqua, real dick-pleaser
Right to the side, right now I need her
Super bad, her body a trigger, you're mine to eat, uh
Suck and swallow, suck and swallow, smile make me weaker
Get it? Just stuck that Kardashian pussy
Business-minded, but most of all she nasty for me
And she wetter, she wetter, wetter than Niagra Falls
Turned-up sex appeal, she don't wear no drawers
I like girls who like girls, got to track Boosie
Now I'm prayin', tell you my ten is wit' the fat coochie
You know I ate it, whack the cat, paddywhack the cat
Give her two thumbs up cause she keep me comin' back
And she please me, ride it like a cowgirl
And she leakin', God, put down the towel, girl
Yeah, spontaneous head, spontaneous head
And she rained down on me, yeah
Nigga, and she bounce that back
My dog tryin' to knick-knack, give a dog a paddywhack
Paddyback that, yeah, bounce it on my lap, lap
She's a real dick-pleaser
Nigga, I tell her, "Arch that back"
My dog tryin' to knick-knack, give a dog a paddywhack
Paddyback that, yeah, bounce it on my lap, lap
She's a real dick-pleaser
