

Save This House

Spirit of the West

I'm not worried, it's a 1, 000, 000 miles away
yeah i saw the news it happens every day
some cronkite look-a-like
numb from what he's reading
wake me up! wake me up!
it's one of us that's screamin' Save this house... save this house, the party's gotta end
the welcome mat's worn out
the roof will never mend
the furniture's on fire
this house is a disgrace
someone change the locks
before we trash this place
Save this house...
i'm not worried it's a 1, 000, 000 miles away
yeah i saw the news it happened yesterday
soem cronkite look-a-like
numb from what he read
wake me up! wake me up!
it's one of us that's dead Save this house
