

# Tyrant (feat. Jorja Smith)

Kali Uchis

Na uh uh uh uh uh uh uh  
Uh uh uh uh  
Uh uh uh uh uh  
Baby dímeló  
Uh uh uh uh  
Dímelo, dímelo, dímelo All I hear is sirens  
In a world so violent  
Would you be a tyrant?  
If I gave you power  
Would you take it out  
Look me in my iris  
I can read your silence  
When everything is a riot  
You're my peace and quiet  
All around we go  
Your lovin' is like a kaleidoscope  
I don't wanna come down  
Keep spinnin' me 'round and 'round  
And 'round and 'round and 'round  
Wanna seize the throne  
But what would you do with all that control  
I don't wanna come down  
Keep spinnin' me 'round and 'round  
And 'round and 'round and 'round Word on the street, you got hoes  
I disappear like El Chapo  
'Til you said you would cut off the whole world  
If little old me would be yours  
Mira, mira, míralo (míralo, míralo)  
Papi está rico, papi está guapo (papi está guapo)  
The worlds been asking us to lose control  
All we ever do is French like Brigitte Bardot (Brigitte Bardot)  
All around we go (all around, all around)  
Your lovin' is like a kaleidoscope  
I don't wanna come down  
Keep spinnin' me 'round and 'round  
And 'round and 'round and 'round (around, around)  
Wanna seize the throne (I know you wanna, I know you wanna)  
But what would you do with all that control  
I don't wanna come down  
Keep spinnin' me 'round and 'round  
And 'round and 'round and 'round (around, around) Uh uh uh uh  
Uh uh uh uh uh

Baby dímelo  
Uh uh uh uhUh uh uh uh  
Uh uh uh uh uh  
Dímelo, dímelo, dímeloJeez Louise, Danny Caes  
Power's gon' to your head, boy I see  
Let me put your mind at ease  
You wanna be a tyrant  
Do you have it in you?  
See, life is crazier now  
I know you're just tryna figure it out  
How to be the man without  
And still be baby Danny  
Bring honor to your family  
PeaceAll around we go (all around, all around)  
Your lovin' is like a kaleidoscope  
I don't wanna come down  
Keep spinnin' me 'round and 'round  
And 'round and 'round and 'round (around, around)  
Wanna seize the throne (I know you wanna, I know you wanna)  
But what would you do with all that control  
I don't wanna come down  
Keep spinnin' me 'round and 'round  
And 'round and 'round and 'round (around, around)Uh uh uh uh  
Uh uh uh uh uh  
Uh uh uh uhUh uh uh uh  
Uh uh uh uh uh  
We're goin' 'round and around and around, and around nowUh uh uh uh  
Uh uh uh uh uh  
Uh uh uh uhUh uh uh uh  
Uh uh uh uh uh  
We're goin' 'round and around and around, goin' down, down
