## Get It On Tonite

## **Montell Jordan**

When I'm looking at you I keep thinking Why can't she be like you, so I'm scheming I can't go on like this Believing that her love is true, ohStanding on the dance floor while she's trickin' You are all I want girl, she's a chicken We might be together, but love is missing Girl I want you, so what can we do, ohGirl if it's alright Let's go somewhere and get it on tonight I've got a girl but you look good tonight It's one on one tonight, tonightGirl if it's alright Let's go somewhere and get it on tonight You shouldn't have to be alone tonight It's one on one tonight, tonight Now she's looking at me, but keep talking Oh, now she's trying to ice you, let's start walking Over on the dance floor It's her fault but what can she do? Tell me baby, yeahGirl if you're ready (I'm ready) We can get it on (We can get it on) I know where I went wrong (She's where you went wrong) With you is where I belong, belongGirl if I could find the words to say I gotta get away from a love That kills me everyday I'd gladly say to you Girl if it's alright Let's go somewhere and get it on tonight I've got a girl but you look good tonight It's one on one tonight, tonightGirl if it's alright Let's go somewhere and get it on tonight You shouldn't have to be alone tonight It's one on one tonight, tonightGirl if it's alright Let's go somewhere and get it on tonight I've got a girl but you look good tonight It's one on one tonight, tonightGirl if it's alright My baby's stressin' me You need to come with me We need to go somewhere, yeah Tonight, tonightGirl if it's alright Let's go somewhere and get it on tonight
