When Can I See You

Babyface

When can my heart beat again?

When does the pain ever end?

When do the tears stop from running over

When does, "You'll get over it" begin? I hear what you're saying

But I swear that it's not making sense

So when can I see youWhen can I see you again?

When can my heart beat again?

When can I see you again?

When can I breathe once again?

And when can I see you?

When does my someday begin?

When I'll find someone again

And what if I still am not truly over

What am I supposed to do then, babe? Do you see what I'm saying

Even if, if it's not making sense?

So when can I see you? When can I see you again?

When can my heart beat again?

When can I see you again?

And when can I breathe once again?

And when can I see you again? Yeah, baby

Do you see what I'm saying

Even if, if it's not making sense, baby?

So when can I see you again?

When can I see you again?

Can my heart beat again, baby?

When can I see you again?

And when can I breathe once again?

And when can I see, babe, again?

Wanna see you again

Again
