Sunday Best

Surfaces

Feeling good, like I should
Went and took a walk around the neighborhood
Feeling blessed, never stressedGot that sunshine on my Sunday bestEveryday can be a better day despite the challenge
All you gotta do is leave it better than you found it
It's gonna get difficult to stand but hold your balance
I just say whatever cause there is no way around it causeEveryone falls down sometimes
But you just gotta know it'll all be fine
It's ok, uh-huh
It's ok, it's ok
Feeling good, like I should
Went and took a walk around the neighborhood
Feeling blessed, never stressed
Got that sunshine on my Sunday bestSomedays you wake up and nothing works you feel surrounded
Gotta give your feet some gravity to get you grounded
Keep good things inside your ears just like the waves and sound did
And just say whatever 'cause there is no way around itEveryone falls down sometimes
But you just gotta know it'll all be fine
It's ok, uh-huh
It's ok, it's okFeeling good, like I should
Went and took a walk around the neighborhood
Feeling blessed, never stressed
Got that sunshine on my Sunday best
Feeling good, like I should
Went and took a walk around the neighborhood
Feeling blessed, never stressed
Got that sunshine on my Sunday best
