

# Grey Box

## Ja Rule

Yeah, yeah, hold up, hold up, hold up.  
What the fuck do you want before I open up this grey box? Nigga, you know what I want.  
I want that X. Yeah, but what kind you want?  
You want the white booties, you want the green Nikes, you want the Calvin Klein's, you want  
the Versace's?  
You know I got it all, please believe that.  
You, how high you wanna fly?
