

Dead and Gone

State Champs

Oh-Oh-Oh

Oh-Oh-Oh

(When you're dead and gone)

Oh-Oh-Oh

Oh-Oh-Oh

(When you're dead and gone)One year ago with a flower in hand

One year ago we wrote our names in the sand

The wind would blow your summer hair

(One year ago)Once easy love, now you're making it rough

You know I try and say it's never enough

You left with ease and didn't care

(One year ago)

What used to seem like heaven

Feels like hellI wanna breathe with ease again

I wanna get some fucking sleep again

You only ask forgiveness after it's gone wrongI need to get upstate again

I need to get my head on straight again

You only get redemption when you're dead and gone

When you're dead and goneOh-Oh-Oh

Oh-Oh-Oh

(When you're dead and gone)

Oh-Oh-Oh

Oh-Oh-OhTen years from now we'll be tired and old

Ten years from now we won't ever leave home

Singing "I'll be there for you"

(Ten years from now)

Give me the one and only reason that could make me believe

You were everything I want,

But not the thing that I need

It's hard to say, it's sad but trueWhat used to seem like heaven

Feels like hellI wanna breathe with ease again

I wanna get some fucking sleep again

You only ask forgiveness after it's gone wrongI need to get upstate again

I need to get my head on straight again

You only get redemption when you're dead and gone

When you're dead and goneNothing left here to say

Nothing to celebrate

Nothing left here to say

Nothing to celebrateI wanna breathe with ease again

I wanna get some fucking sleep again

You only ask forgiveness after it's gone wrongI need to get upstate again

I need to get my head on straight again

You only get redemption when you're dead and gone
You only get redemption when you're dead and gone
Oh-Oh-Oh-Oh
Oh-Oh-Oh
(When you're dead and gone)
Oh-Oh-Oh
Oh-Oh-Oh When you're dead and gone
