Cocaina (feat. Young Thug)

Migos

Cocaina, cocaina
(Cocaina, cocaina)
Cocaina, cocaina
(Cocaina, cocaina)
Cocaina, cocaina

Cocaina, cocaina, I don't wanna serve my people
Cocaina, cocaina, you can call them birds, call them seagulls
Cocaina, cocaina, you can call the girl mamacita
Cocaina, cocaina, I do this shit for my familia
Turn a half to a whole thing
With cocaina you will make a name
If you wanna make a mountain
Gotta turn that kitchen to a hurricane
Trapping out the boarded houses
Don't go check the door without John Wayne
All white bricks, plain Jane
Have you ever seen a drop before?
Have you ever seen a drought? (hell nah)
Have you ever seen a pot before?
Fishscale jumping out
Everybody know cocaina make the whole world turn around
Out of Venezuela talking cocaina with the plug right now
