Erase (feat. Priyanka Chopra)

The Chainsmokers

Another week ends since you've been gone It doesn't feel like it's been that long But I guess it gets better everyday Yeah, YeahMy head is heavy my mind is numb I found myself in a stranger's arms cause I just want to make it fade away Yeah, YeahMy heart is a broken machine Need you to come set me free Keep on playing the music baby Keep on playing the music baby Erase, Erase, Erase Erase (Take it all away), Erase Erase, EraseI see you calling, I don't respond And now I feel like I'm right where I belong And I am ready for a change Yeah, YeahWhat doesn't kill me will make me strong Just turn it up, nothing's wrong cause I can just keep dancing through the pain Yeah, YeahMy heart has been cold as nights I feel it come back to life Keep on playing the music baby It's all that's getting me through this baby (Erase) I wanna dance till I can't feel nothing at all I wanna dance till I can't feel nothingErase, Erase, Erase, Erase (Take it all away) I wanna dance till I can't feel nothing at all I wanna dance till I can't feel nothing (Yeah!)
