

# Lovey Dovey

## Otis Redding & Carla Thomas

You're the sweetest thing that I have ever seen 'cause  
I really love you baby, I'm gonna shake your tree  
Lovey dove, lovey dove all the time, all right  
Lovey dove, I can't get you out of my mind  
Every time you kiss me you just thrill me so  
I'll never, never, never, ever let you go  
Lovey dove, lovey dove all the time  
Lovey dove, I can't get you out of my mind, all right  
I sigh with the feelin' when you're near me  
I'm as high as the ceilin', Otis hear me  
'Cause I love you baby more and more every day  
You're something good to me baby, you're just so sweet to me  
Love you baby like I do my ma  
I love you, love you baby and your sweet little charms  
Lovey dove, lovey dove all the time,  
come on  
Lovey dove, I can't get you out of my mind  
Said I sigh with the feelin' when you're near me  
I'm as high as the ceilin', Otis hear me  
'Cause I'm saying that I love you honey, place no one  
above you  
You are something good baby, I'm telling you baby, you're just a  
Lovey dove, lovey dove, lovey dove, lovey dove  
Lovey dove, lovey dove, lovey dove, lovey dove  
Lovey dove, lovey dove, lovey dove, lovey dove
