

# Do You... (Cashmere Cat Remix)

Miguel

Do you like drugs?  
Have you ever felt alone?  
Do you still believe in love?  
Well do you like drugs? Do you like drugs?  
"Yeah"  
Well me too, me too, me too babe  
Me too, me too  
Do you like hugs, do you like love?  
"Yeah"  
Well me too, me too  
It's what we gonna do?  
What about matinee movies, morning secrets  
Midnight summers, swim private beaches  
Rock, paper, scissors, wait, best out of 3  
My mama said the greatest things in life are free  
What about lust, what about trust?  
What about fun? She said, you know that I do  
Oh you do baby, hope you do now  
You do, do, do, do But do you like drugs? Do you like drugs?  
"Yeah"  
Well me too, me too  
Me too, me too  
Do you like love? Do you like love?  
Well me too, me too  
It's what we gonna do Tonight, so let's dance a little harder  
"Til I feel like I know  
All the things  
Do you like drugs? Do you like drugs?  
"Yeah"  
Well me too, me too, me too  
Me too  
Do you like hugs? Do you like love? (Feel like we got so much in common now)  
Well me too, me too  
Right about now baby (Me too, it's what we gonna do)  
It's you and me, yeah. Tonight  
You and me tonight  
You and me tonight  
You and me tonight  
You and me, yeah... Tonight  
You and me tonight  
Oh, I feel like I've loved you for so long right about now baby  
Yeah, yeah

I'm gonna do you like drugs tonight  
I'm gonna do you like drugs
