

A Little Less Conversation

Elvis Presley

A little less conversation, a little more action please
All this aggravation ain't satisfactionin' me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me babyBaby close your eyes and listen to the music
Dig to the summer breeze
It's a groovy night and I can show you how to use it
Come along with me and put your mind at ease
A little less conversation, a little more action please
All this aggravation ain't satisfactionin' me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me babyCome on baby I'm tired of talkin'
Grab your coat and let's start walkin'
Come on, come on
Come on, come on
Come on, come on
Don't procrastinate, don't articulate
Girl it's gettin' late, gettin' upset waitin' around
A little less conversation, a little more action please
All this aggravation ain't satisfactionin' me
A little more bite and a little less bark
A little less fight and a little more spark
Just close your mouth and open up your heart and baby satisfy me
Satisfy meSatisfy me baby
Satisfy me
