Got What I Got

Jason Aldean

She said, "Baby, do you ever miss bein' alone?"
I said, "Hell no, I don't"
She said, "Do you really think I'm where you belong?"I said, "You know and I know..."You're perfect for me
Everything I'll ever need
I ain't playin'
What I'm sayin'When I got what I got I don't miss what I had
The old me before you belongs to the past
In the back of your mind you might think there's somethin' more I want
But when I got what I got, girl, I don't
I said, "Baby, do you know you sound a little crazy,
When you're talkin' like that, girl?"
Ain't no second thoughts, no regrets, no kinda maybe
No wishin' I turned backBefore you came along
I could go all alone
Girl, just kiss me
You're all that I wantWhen I got what I got I don't miss what I had
The old me before you belongs to the past
In the back of your mind you might think there's somethin' more I want
But when I got what I got, girl, I don'tShe said, "Baby, do you ever miss bein' alone?"
I said, "Hell no, I don't"
When I got what I got I don't miss what I had
The old me before you belongs to the past
In the back of your mind you might think there's somethin' more I want
But when I got what I got, girl, I don't
No, I don't
No, I don't
When I got what I got, girl, I don't
