

Black Math

The White Stripes

Oh, don't you think that I'm bound to react now?
Well, My fingers definitely turning to black now
yeeah
Maybe I'll put my love on ice
And teach myself, maybe that'll be nice, yeeahMy books are sitting at the top of the stack now
Well, The longer words are really breaking my back now
yeeah
Maybe I'll learn to understand,
Drawing a square with a pencil in hand, yeahah, ah, ah, ah, ah, ah, ahh, ahhhMathematically
turning the page
Unequivocally showing my age
I'm practically center stage
Undeniably earning your wage
Well, maybe I'll put my love on ice
Teach myself, maybe that'll be nice, yeeeah
Listen master can you answer a question?
Is it the fingers, or the brain that you're teaching the lesson?
Oh, I can't tell you how proud I am
Writing down things I don't understand
Well, maybe I'll put my love on ice
And teach myself, maybe that'll be nice, yeeeah
yeeeah, yeeeah, yeeeah
