Over and Over Again (feat. Ariana Grande)

Nathan Sykes

From the way you smile

To the way you look

You capture me

Unlike no otherFrom the first hello

Yeah, that's all it took

And certainly

We had each otherAnd I won't leave you

Always be true

One plus one, two for life

Over and over againSo don't ever think I need more

I've got the one to live for

No one else will do

I'm telling you

Just put your heart in my hands

I promise it won't get broken

We'll never forget this moment

It will stay brand new

'Cause I'll love you

Over and over againOver and over again

From the heat of night

To the break of day

I'll keep you safeAnd hold you forever

And the sparks will fly

They will never fade Cause every day gets better and better

And I won't leave you

Always be true

One plus one, two for life

Over and over again

So don't ever think I need more

I've got the one to live for

No one else will doI'm telling you

Just put your heart in my hands

I promise it won't get broken

We'll never forget this moment

It will stay brand new

'Cause I'll love youOver and over againOver and over again

Girl when I'm with you

I lose track of time

When I'm without youYou're stuck on my mind

I'll be all you need

Until the day that I die

I'll love you

Over and over again
So don't ever think I need more
I've got the one to live for
No one else will do
I'm telling you
Just put your heart in my hands
I promise it won't get broken
We'll never forget this moment
It will stay brand new
'Cause I'll love u
Over and over again
Over and over again
