

Under the Wave (Parralox Extended Mix)

Erasure & Parralox

Spinning out of reach of love
I don't know what to do about it
So afraid you open up
But I don't wanna be alone tonightHolding on for dear life
The waiting 'til it washes over
Scared of when the rush is calm
Will I even make it out alive?Helpless, I drift from love
Helpless, I drift from loveI don't know what to do
I don't know what to say
I am out of my depth
I go under again
I don't know what to do
I don't know what to say
and I'm out of my depth
I go under the waveoh, oh oh, oooooooh oh oh
oh, oh oh, oooooooh oh ohSugar ain't no cure for love
But someone's got to save me from it
Tell me when it knocks me down
Why I always fall so hard each timeHelpless, I drift from love
Helpless, I drift from loveI don't know what to do
I don't know what to say
I am out of my depth
I go under again
I don't know what to do
I don't know what to say
and I'm out of my depth
I go under the wave
