

Sugar Town

Nancy Sinatra

our love story could be kinda gory
far from boring we'd meet at a post apocalypse
yeah i'd be slowly walkin in a group stalkin
you you'd be the only man alive
that i could not resist
than al of your friendsthey'd tried to kill us
but only because
they'd be jealous
that our love is deeper than edward and bella's
oh if i were a zombie I'd never eat your brain
i'd just want your heartyeah i'd want your heart
i just want your heart
yeah oh
if i were a zombie I'd never eat your brain i'd just want your heartyeah i'd want your heart
i'd just want your heartcause i want ya
we'd be hiding in
a second floor apartmentknocking all the stairs down
to save your life
from the undead
double-barrel shotgun
taking out the slow ones
then you'd see the passion
burning in my eye
and i'd keep my head
than al of your friends
they'd tried to kill us
but only because
they'd be jealous
that our love is deeper than edward and bella's
oh if i were a zombie I'd never eat your brain
i'd just want your heart
yeah i'd want your heart
i just want your heart
yeah oh
if i were a zombie I'd never eat your brain i'd just want your heart
yeah i'd want your heart
i'd just want your heart
cause i want ya
and i'd try
not to bite and infect you because
i'd respect you to much
yeah that's why i'd wait until we got married

oh and our happiest days would be spent
picking off all your friends
and they'd see a love this deep
won't stay buried
if i were a zombie I'd never eat your brain
i'd just want your heart
yeah i'd want your heart
i just want your heart
yeah oh
if i were a zombie I'd never eat your brain i'd just want your heart
yeah i'd want your heart
i just want your heart
cause i want ya
