So far out, never want it, to end
Hmm, so far out
Hmm I trust you, hmm I trust you trusting me
Mhmm
Mmm yeah
In the moment snap it, no pictures
Grown women get on the floor, phone in the purse
Spirit I'm wanting, someone of a mature nature is in verse
In moment, snappin' no pictures, phone in the purse
Spirit I'm wanting, someone of a mature nature who's in verse Heaven again, again
Heaven, again
Heaven again, again
Heaven again
Heaven again, heaven again
Heaven, again, heaven again
Yeah where ever, again
Yeah whatever, again
