

Forever Road

Darius Rucker

I heard every word you said
And trying hard to understand
Exactly what it is you need from me
Baby I apologize
I never meant to make you cry
But there ain't no doubt, we can work it out yeah
'Cause I'm going to be around Don't worry baby
I ain't no maybe
Rain or shine
This love of mine is for you
Let my arms remind you
I'll always be beside you
Holdin' on until this ride is through
So away we go, down that forever road
Baby as our lives unfold
There's no telling where we'll go
But as far as I can see it'll be you and me
Just the way it's supposed to be Don't worry baby
I ain't no maybe
Rain or shine
This love of mine is for you
Let my arms remind you
I'll always be beside you
Holdin' on until this ride is through
So away we go, down that forever road It ain't going to be easy
We'll both make big mistakes
But if you love me, trust me
We've got what it takes
Now...
Don't worry baby
I ain't no maybe
Rain or shine
This love of mine is for you
Yeah, let my arms remind you
I'll always be beside you
Holdin' on until this ride is through
So away we go, down that forever road
Down that forever road
Away we go
